

Chicago Suburb Creative Agency Seeking a Talented Web Developer/Designer

We are looking for a web developer/designer with a creative mind who has an excellent grasp of web design and coding. You must have a working knowledge of design and be confident in translating needs and ideas into concepts and designs that communicate the desired message. You must be familiar with CMS development and construction, and know the following programs/have the following skills: PHP 5, HTML, CSS, JavaScript, DNS knowledge (pointing domains at other servers, email, etc.), Linux as well as Adobe Creative Suite programs: Dreamweaver, Photoshop and Illustrator, and jQuery. Working in our open office environment will also allow you to influence the ongoing development. We are not looking for a company to work on our web design/development projects. We are looking for an individual, web developer/designer to work here in our office, as either a full time, part time or independent contractor. All other responses that are not applicable will be deleted immediately.

You must be proficient in the following:

- Mac or PC
- Adobe Creative Suite
- HTML, Javascript, XHTML, CSS, Web Standards, JQuery
- Knowledge of SEO
- WordPress Joomla
- Multi-tasking and managing tight deadlines
- WordPress CMS
- Mobile App Development
- Ecommerce (Magento, Paypal, Sales Igniter)

In addition to the above, the ideal candidate would have the following:

- Clear thinking skills and great attention to detail
- Adaptability and great communication skills
- Be able to think on the fly to fix coding and development issues
- Work with a CMS (Content Management Systems)
- Understand internal SEO
- Quick learner and the ability to 'self-teach'
- An understanding of DNS (ex. understanding how email works, pointing domains at other servers) -- Fairly simple, nothing complex, but a definite need.

Please send your resume and portfolio links as well as links to websites you've designed to info@integraphix.com. This is an onsite position. You must be available to work in our Palatine office.
